Resolution ALJ 176-3355
Administrative Law Judge Division
April 9, 2015

R E S O L U T I O N

RESOLUTION ALJ 176-3355. Preliminary determinations of category and need for hearing for proceedings initiated by application pursuant to Rule 7.1 of the Commission's Rules of Practice and Procedure.

Senate Bill (SB) 960 (Leonard, ch. 96-0856) requires, among other things, that the Commission categorize proceedings and determine the need for hearing for purposes of determining the applicable restrictions on ex parte communications and other applicable rules. The rules implementing these requirements are found, for the most part, in Articles 7 and 8 of the Commission's Rules of Practice and Procedure.

Rule 7.1 requires the Commission to preliminarily determine, for a proceeding initiated by application, the proceeding's category and whether the proceeding requires a hearing. The Commission has reviewed the initial pleading of the utility applicants and makes the preliminary determinations of category and need for hearing as shown in the attached Preliminary Determination Schedule, consistent with the requirements of Rule 7.1.

No public review or comment is required for this resolution pursuant to Rule 14.7.

IT IS ORDERED that:

1. The category and need for hearing for each proceeding initiated by application listed in the attached Schedule of Preliminary Determinations are preliminarily determined, as noted.

2. This resolution is effective today.

I certify that the foregoing resolution was duly introduced, passed, and adopted at a conference of the Public Utilities Commission of the State of California held on _____, the following Commissioners voting favorably thereon:

TIMOTHY J. SULLIVAN
Executive Director
